NPH

Join us at HA CONNECT, the largest conference on hydrocephalus. As hydrocephalus research evolves, we have the ability to unite and share valuable insight, data and offer education that directly supports the hydrocephalus community.

Explore over 75 interactive sessions covering diverse topics, from the future of hydrocephalus to navigating daily life and social challenges. Exclusive sessions for teens, adults, parents and those diagnosed with normal pressure hydrocephalus (NPH). Learn from experts, unlock resources, and connect with our extraordinary community.
